This plan shows how St John's School:

- effectively plans for the use of the Primary PE and Sport Premium to ensure progress in Physical Education (PE) and swimming attainment, which forms part of the PE National Curriculum.
- consider the Intent, Implementation and Impact of any spending to ensure that the grant is used effectively and based on pupils' needs.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) which build capacity within the school and will benefit current pupils and those who join in the future.

Total received £17,350

We select the priorities for spending from the aims below:

- increasing all staff confidence, knowledge and skills in teaching PE and sport
- increasing engagement of all pupils in regular physical activity and sport
- raising the profile of PE and sport across the school, to support whole school improvement
- offer a broader and more equal experience of a range of sports and physical activities to all pupils
- increase participation in competitive sport
